

Personal Care

Frequently Asked Questions

Do I need a Masonic affiliation to reside at Masonic Village?

Masonic Village is home to individuals with and without Masonic affiliations. We encourage all persons with an interest in services to apply. Our retirement living residents are given first priority access to our personal care and skilled nursing facility. Additional openings for personal care and skilled nursing services are made available on a priority basis to Masons, employees and their loved ones. Any remaining openings are available for the public.

What furnishings are offered in my studio or apartment?

We provide a twin bed, night stand with lamp, recliner, dresser, desk with chair and a wall-mounted flat-screen television. Each bathroom has a step-in shower. Cable, offering more than 90 channels, is available.

How can I attend worship services?

The Pastoral Care Department provides worship services, counseling and Bible studies. A worship service is held each Sunday afternoon.

What activities are available?

A recreation coordinator provides a variety of engaging activities, planned programs and therapeutic options, while also offering individual opportunities to pursue personal interests. Regular activities include: lifelong learning, pet visits, movement classes, intergenerational programs, music and music therapy, socials, entertainment, special events, gardening, crafts, community outings, service projects and more.

Where will I eat meals?

The dining room offers flexible hours. Choose your main entrée or à la carte selections daily. A dietitian, dietetic technician or dietary manager is available, by appointment, to discuss special diet requests or requirements.

Who oversees medical care?

Physicians affiliated with several local hospitals are available to oversee your care. We also have several on-site clinics, including occupational, physical and speech therapies; phlebotomy; and podiatry. Should a specialist be needed, staff will arrange referrals and appointments on your behalf.

How will I obtain prescription medications?

Masonic Village has made arrangements with a pharmacy which participates with several prescription drugs plans to provide your medications.

May I visit with family off campus?

Yes. When planning a leave from Masonic Village, it is helpful if you provide the nursing staff/care provider on your neighborhood as much advanced notice as possible, so staff can make sure medication and special needs are arranged.

How can I set up a Personal Care Account for personal funds?

A Personal Care Account can be set up by the Finance Department for you to maintain personal spending money. Staff can assist you with depositing or accessing funds. What happens if my assets deplete? Generous donations enable Masonic Village to offer financial assistance to those who qualify. It is required that your financial resources are preserved for the cost of your care and services, and our staff will help you to identify all available financial assistance when needed.

Do I need a Financial or Medical Power of Attorney?

We ask all residents to appoint a Financial and Medical Power of Attorney to handle their needs when they are no longer able to do so. The same person can be appointed for both, or a different person can be appointed for each.
